

HandyCam Readme

Installation directories:

Windows:

Program Files\Adobe\Adobe After Effects <version>\Support Files\Plug-ins

Mac:

Applications/Adobe After Effects <version>/Plug-ins

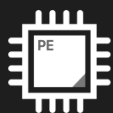

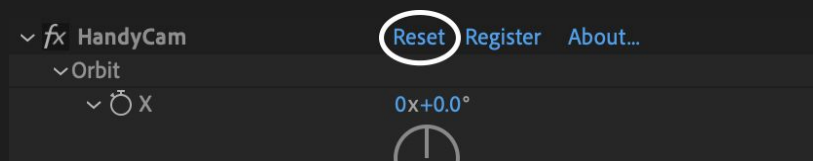

Supported After Effects Versions:

CC2015 and newer

If you have any technical difficulties or licensing issues please submit a ticket on aescripts.com

For general use of the plugin, see the [tutorial video](#).

Note: clicking the reset button inside the effect controls window resets HandyCam's internal camera identification mechanism, if you click reset you will need to click setup to generate a new camera.
